

October 5, 2016

Dear colleagues,

I write to you today on behalf of the UNC-Chapel Hill Faculty Assembly Delegation to encourage you to provide valuable feedback on the Board of Governors' Strategic Plan. This system-wide plan will articulate a new set of goals and strategies to improve student outcomes and to expand access and affordability.

Please take a moment to complete the survey at https://northcarolina.co1.qualtrics.com/jfe/form/SV_1XKyQ7J3o8dVzP7 before November 20, 2016.

The survey will ask you to provide your thoughts on five areas: access, affordability and efficiency, student success, economic impact, and excellent and diverse institutions. Responses from the survey are confidential and will be used to inform the final draft of system-level goals in December 2016. For more information about each of the five areas listed above and the strategic planning process, please visit <https://www.northcarolina.edu/strategic-planning>.

Sincerely,
