

Resolution 2019-8. On Containing the Costs of Published Research

The Faculty Council resolves to work with the University Libraries to support open access, affordability, and transparency in scholarly publishing by affirming our commitment to UNC's Open Access Policy, engaging with the University Libraries to license high quality, peer-reviewed content in a manner that is fiscally responsible and sustainable, and supporting—as a public institution devoted to transparency—the University Libraries' decision to cease signing nondisclosure agreements in contracts for licensed content.
