Dear Professor Ferrell:

On behalf of the Committee on Scholarships, Awards and Student Aid, an appointive committee of the Chancellor, I am submitting the 2005-06 annual report on scholarships, awards, and financial aid which has been prepared by the Office of Scholarships and Student Aid in conjunction with the Office of Institutional Research. The report summarizes all aid disbursed by the Office of Scholarships and Student Aid to enrolled undergraduate, graduate, and professional students from July 1, 2005 to June 30, 2006. The report is accompanied by various charts which illustrate distribution patterns.

Thank you for granting us an extension. As I indicated earlier, General Administration changed the data coding structure for the "unit record" report this year, which necessitated the performing of multiple edits to ensure accuracy.

In addition, I am submitting a roster of Committee members for the 2006-07 year, and am including a copy of the "critical questions" regarding scholarships and student aid. These policy questions anchor the work of the Committee and contribute to campus planning and policy discussions.

I have also provided the same information electronically to Mr. David Thompson and to Professor Joe Templeton, Faculty Chair. Ms. Shirley Ort, Associate Provost and Director of Scholarships and Student Aid, and I look forward to the Friday, March 23, 2007 Faculty Council meeting where I will present the report and entertain questions.

Sincerely,

Charles E. Daye, Chair  
Committee on Scholarships, Awards, and Student Aid
