**Activities**

The committee met regularly with the Chancellor, covering a broad variety of campus issues. The committee provides a vehicle for the Chancellor and faculty to discuss items together and for the faculty members to call attention to items on which they and/or their constituents wish the Chancellor to be especially aware. Outside these meetings, committee members also provided additional feedback on topics discussed in the meetings. Examples from 2015 included PeopleSoft implementation issues, Sponsored Research, the university's responses to SACS, and many others.

No recommendations for specific action by Faculty Council are proposed.
