

December 19, 2012

To: UNC-CH Faculty Council
From: Richard Whisnant, Chair of the APT Committee
Subject: Annual Report of the APT Committee

On July 1, 2012, I became Chair of the University's Appointments, Promotion & Tenure Committee. Below, I have set forth the outcomes of each of the committee's monthly meetings in 2011-12 as well as a list of the full committee roster and the schedule of the APT committee's meetings for the 2011-2012 academic year.

In its continuing efforts to improve the APT review process, the committee has two initiatives that might be of interest to Faculty Council. First, the committee has begun receiving reports, as information items, about new appointments to the faculty. In recent years, despite the committee name, the monthly meetings have only reviewed promotion and tenure decisions. Second, the committee has requested the Center for Faculty Excellence to compile data on the ways in which units across the university evaluate teaching for purposes of promotion and tenure.
