

### **Resolution 2012-13. On Support for Chancellor Holden Thorp**

The General Faculty of the University of North Carolina at Chapel Hill, convened in special session September 18, 2012, affirms its support for Chancellor Holden Thorp and respectfully requests that UNC President Thomas Ross decline to accept Chancellor Thorp's announced resignation. We believe that, despite the difficulties of the present moment, Holden Thorp remains the best person to lead our university through these challenging times. With the university's Faculty Executive Committee, the College of Arts and Sciences Council of Chairs, and other campus groups, we urge that President Ross, the UNC-Chapel Hill Board of Trustees, and the UNC Board of Governors continue to provide the support the chancellor needs to remain in office.
