

Resolution 2014-12. On Endorsing a Campus-Wide Two-Year Theme: Feeding a Hungry World.

The Faculty Council resolves:

The Council endorses a proposal to establish a two-year theme for 2015-16 and 2016-17 to be known as Feeding a Hungry World, as proposed by the Global Research Institute and a consortium of food studies faculty from across the University, and requests the Provost and the Chair of the Faculty to take appropriate steps to bring the proposal to fruition.
