

Resolution 2001-7A. On Information Technology

BE IT RESOLVED:

The Faculty Council...

1. Calls upon the Executive Vice Chancellor and Provost to revise, or create, University statement(s) regarding teaching such that the University promotes both excellence and innovation in teaching, which may include the use of information and communication technology.
2. Calls upon the Executive Vice Chancellor and Provost to establish an Information Technology Strategic Planning Council with substantial faculty representation which will, in collaboration with Faculty Council, develop a strategic plan for information and communication technology covering policy, infrastructure, application, adoption, and fund-raising priorities.
3. Calls upon the Executive Vice Chancellor and Provost, in consultation with the Information Technology Strategic Planning Council and FITAC, to continue the successful faculty summer workshops and grants that promote excellence in teaching and learning through innovative applications of information technology.
