

## 2010 PROFILES OF INTERNATIONAL STUDENTS AND SCHOLARS AT UNC-CH

The following statistics represent brief profiles of both the international students at the University of North Carolina at Chapel Hill registered in the fall semester 2010 and the international scholars (foreign faculty and academic staff members) present at the University during the July 2010 – June 2011 fiscal year. "International" or "foreign" individuals in this report are those students, faculty, and academic staff members (e.g. post-doctoral fellows and research scholars) from other countries who are in the United States on non-immigrant visas for the purpose of study, teaching, or research. U.S. citizens or permanent residents are not included in these profiles.
