

# What is LiveSafe?

*“LiveSafe is the world’s leading mobile safety communications platform.”*

- **Report Tips:** Share information and tips to UNC Police via picture, video, text or audio message
- **Emergency Options:** Quick access to call or message UNC Police
- **Resources:** Easy-to-find information and location of safety resources on and off campus
- **GoSafe:** Allow friends/family members to virtually watch you walk with GPS-tagged monitoring feature
- **Notification Center:** Receive notifications through LiveSafe when Alert Carolina sends out any message
