Faculty Council
The University of North Carolina at Chapel Hill

Dear Faculty Council,

Below is the 2018 APT Annual Report to the Faculty Council, including tables summarizing the Committee's decisions and the Committee's membership roster. The Committee on Appointments, Promotions and Tenure (APT Committee) "is advisory to the provost in any faculty personnel matter deemed important by the provost or the committee" and specifically with respect to:

- appointments, reappointments, and promotions that confer permanent tenure
- promotions to a higher rank of persons holding permanent tenure at the rank of associate professor or assistant professor
- appointments to distinguished professorships that are not restricted by the terms of the endowment to a particular school or department
- review of school and department APT policies

The APT Committee carried out its work through monthly meetings and subcommittee assignments between meetings. Note that there were two Chairs for 2018: Jessica Smith (Jan – June) and Stephen Crews (July – Dec). The Committee reported its recommendations each month to the Provost. In addition, the Committee Chair on occasion communicated to unit Chairs and Deans regarding dossiers and policies. This year, the Committee Chair (Crews) met with the Senior Associate Deans in a meeting convened by Executive Vice Provost Ronald Strauss to discuss the upcoming Taskforce on Changes in UNC Promotion and Tenure Policies and Practices.

As shown in the table below, 135 dossiers required a vote by the APT Committee in 2018. Four dossiers were returned to their respective units for additional information; they were considered at more than one meeting and are counted twice. There were 127 dossiers approved for promotion and 4 were not approved. Of the 4 dossiers returned for additional information; 2 were approved for promotion and 2 resulted in a negative recommendation.

I will be glad to discuss any aspects of the APT Committee's work.

Sincerely,

Stephen Crews
Chair, APT Committee
Professor of Biochemistry and Biophysics
UNC School of Medicine

Annual APT Committee Report: 2018 Monthly Meeting Outcomes				
Month	Number of Dossiers - Vote Required	Number of Dossiers Approved	Number of Dossiers Not Approved	Number of Dossiers Returned for More Information
January 10, 2018	7	6	1	0
February 14, 2018	12	12	0	0
March 14, 2018	29	28	0	1
