

The Faculty Executive Committee resolves:

Recognizing widespread concern about campus security issues, we support the chancellor's action in appointing a Campus Safety Commission. We also strongly support the plan for the outside consultant mentioned in the chancellor's communication of April 22, 2019 to conduct a transparent and independent public investigation of recent allegations of misconduct on the part of the campus police, and to update this committee on the progress of its work as requested by the chair of the faculty.

*Adopted by the Faculty Executive Committee on April 22, 2019.*
