

## **Resolution 2019-6. On Delaying a Vote on the Ideas in Action Curriculum**

The Faculty Council resolves:

A vote on the Ideas in Action Curriculum be delayed and not take place in March 2019 in order to give the College time to (1) devise and implement a new and more inclusive way for engaging with college faculty, and (2) correct the problems in the current version and provide faculty, the Educational Policy Committee, and members of Faculty Council with complete and accurate information about the curriculum and its implementation well in advance of any future discussion or vote.

*Submitted by Prof. Nadia Yaqub and amended by Faculty Council on February 8, 2019.*
