

The University of North Carolina at Chapel Hill
Report of the Faculty Athletics Representative for 2020-21
Faculty Council

December 2, 2022

My annual report as the faculty athletics representative (FAR) accompanies the annual report of the Faculty Athletics Committee (FAC).

The Role of the FAR

The role of the FAR at UNC is prescribed by the NCAA, ACC, UNC Faculty Code, and by a position description approved by Chancellor Holden Thorp.

NCAA ByLaws. 21.02.1 provides that the faculty athletics representative (FAR) “is designated by the institution’s president or chancellor . . . to represent the institution and its faculty in the institution’s relationships with the NCAA and its conference.” 8.1.3 provides that the FAR’s duties “shall be determined by the member institution.”

ACC Constitution. The Atlantic Coast Conference (ACC) Bylaw 2.4.1.1 provides that each institution’s FAR shall be “a regular full-time member of the faculty or an administrative officer of such Member at the time of his or her appointment and shall be appointed by the CEO of such Member.” The FAR Committee shall “(i) advise the Board on matters concerning student welfare, academic integrity and the impact of athletics on academics, and (ii) perform any other duties or obligations as may be delegated or assigned to the FAR Committee by the Board from time to time,”

UNC Faculty Code, Section 3-4: The faculty athletics representative is appointed by the chancellor from among the voting faculty for an indefinite term, subject to formal review at least every five years. In making an appointment to this position or reviewing the incumbent, the chancellor follows a process established with the advice and consent of the Advisory Committee. The faculty athletics representative is the University’s voting delegate to the Atlantic Coast Conference and the University’s faculty representative within the National Collegiate Athletic Association. He or she makes an annual report to the Faculty Council and makes special reports to the Council from time to time as may be requested by the Agenda Committee.

UNC-CH Position Description. The general duties of the FAR at UNC are to serve as an advisor to the Chancellor and the Director of Athletics, and as a liaison to the faculty. Areas of focus include the academic success and academic integrity of student-athletes, compliance with ACC and NCAA rules, and a positive student-athlete experience. The FAR also helps represent the University at the ACC and participates in NCAA activities.

The FAR's Regular Duties and Activities

- Quarterly meetings with the Chancellor, Athletics Director, Senior Woman Administrator, and University General Counsel to update the Chancellor on ACC matters, with occasional other meetings with the FAR and Chancellor;
- Monthly meetings with the Athletics Director;
- Monthly meetings during the school year with the Director of the Academic Support Program for Student-Athletes (ASPSA), which, on occasion, include the Senior Associate Dean for Undergraduate Education Abigail Panter;
- Meetings several times each semester with the Associate Athletics Director/NCAA Compliance and Senior Woman Administrator, Marielle vanGelder;

- Serve on the group that reviews the uses and guidelines for the Student Assistance Fund (meets 1 time per year);
- Serve on the committee that annually reviews the Department of Athletics' Drug Testing Policy for Student-Athletes (meets 1 time per year);

- Serve on search committees or interview candidates for various positions in the Athletics Department and ASPSA (as requested);

- Evaluate NCAA legislative proposals and participate in NCAA and ACC discussions;
- Represent the university in meetings of the ACC and the NCAA (as described more fully below).

Within the ACC, the chancellor/president, the director of athletics, the senior woman administrator, and the faculty athletics representative of each member school have the primary governance and operating responsibility. I meet regularly with the Chancellor, Athletics Director, Senior Woman Administrator and University General Counsel to brief and advise the Chancellor on ACC and NCAA matters. As FAR, I participate in regular conference meetings in October, December, February, and May.

At the national level, I often attend the Division I-A FAR Annual Conference and the NCAA National Convention. I assist in reviewing and commenting on proposed legislation at the Division I level and the "autonomy" legislation for the Power Five Athletic Conferences. I concluded my term as a member of the NCAA's Post-Graduate Scholarship Committee in June 2022 and began a term in May 22 on the NCAA's Committee on Academics. The Post-Graduate Scholarship Committee meets three times per year to award \$10,000 post-graduate scholarships to student-athletes who have completed their athletic eligibility and have excelled athletically, academically, and in the community. The Committee on Academics meets three times per year. I serve also on its Subcommittee for Penalties and Appeals which has been meeting every other week since late June to do a comprehensive review of the Academic Performance Program, which includes the Graduation Success Rate (GSR) and the Academic Progress Rate (APR). I participate in other activities as requested or needed.

As provided in the Faculty Code, my five-year review as FAR was completed in June 2020. Following the committee's recommendation that I be retained in this role, Chancellor Guskiewicz asked me to continue as the University's FAR and I accepted. Please feel free to contact me or FAC Chair, Dr. Erianne Weight, with any comments or concerns.

Definitions of APR, FGR, and GSR

APR – Academic Progress Rate. The APR standard for a team to be eligible for postseason play is a four-year APR of at least 930 (maximum rate is 1000). This is an NCAA metric based on the academic eligibility, retention, and graduation of **student-athletes receiving athletically related financial aid**. Points are awarded each semester per student-athletes on the basis of eligibility/graduation and retention. Each team member may earn two points per semester: one point for maintaining eligibility or for graduation, and a second point for being retained. Points may also be earned in specific cases when a student transfers or returns to the institution after time away and subsequently graduates. On a team with ten members, there would be a maximum of 40 possible points in an academic year. If two student-athletes on the team were not eligible in the spring semester and were not retained, then the hypothetical team would only earn 36 points (losing 2 points for each student during that spring semester). The APR in this hypothetical example is calculated by first dividing 36 by 40 (equals .9), and then multiplying by 1000 to get an APR of 900.

FGR – Federal Graduation Rate. This graduation rate is reported by the Department of Education’s National Center for Education Statistics as part of the Integrated Postsecondary Education Data System (IPEDS). This metric is a six-year rate that includes **students who matriculate in the fall semester and received athletic scholarship aid in their first semester of enrollment**. The federal graduation rate counts student-athletes who left the University in good standing prior to graduation as nongraduates. This data is available for student-athletes at an institution and for the student body, so it is a way of comparing the performance of student-athletes with the student body.

GSR – Graduation Success Rate. The GSR is an NCAA metric and is calculated **for student athletes who received athletics aid during their initial semester of enrollment**. The GSR adds students who transferred into the institution and they are included in their original matriculation year cohort. The GSR also differs from the FGR in that schools are not penalized when a student-athlete with athletics eligibility remaining leaves in good academic standing to transfer to another institution, pursue a professional career, or for any other reason. Under the FGR, such departures are counted as failures to graduate from the institution of original enrollment, even if the student later graduates from another institution.
