## ▶ Carolina's Newest Commitment to NC Families

**\$80,000**

Students whose families make less than \$80,000 per year and have typical assets

Applied once other grants and scholarships are applied

**\$500,000-  
\$600,000**

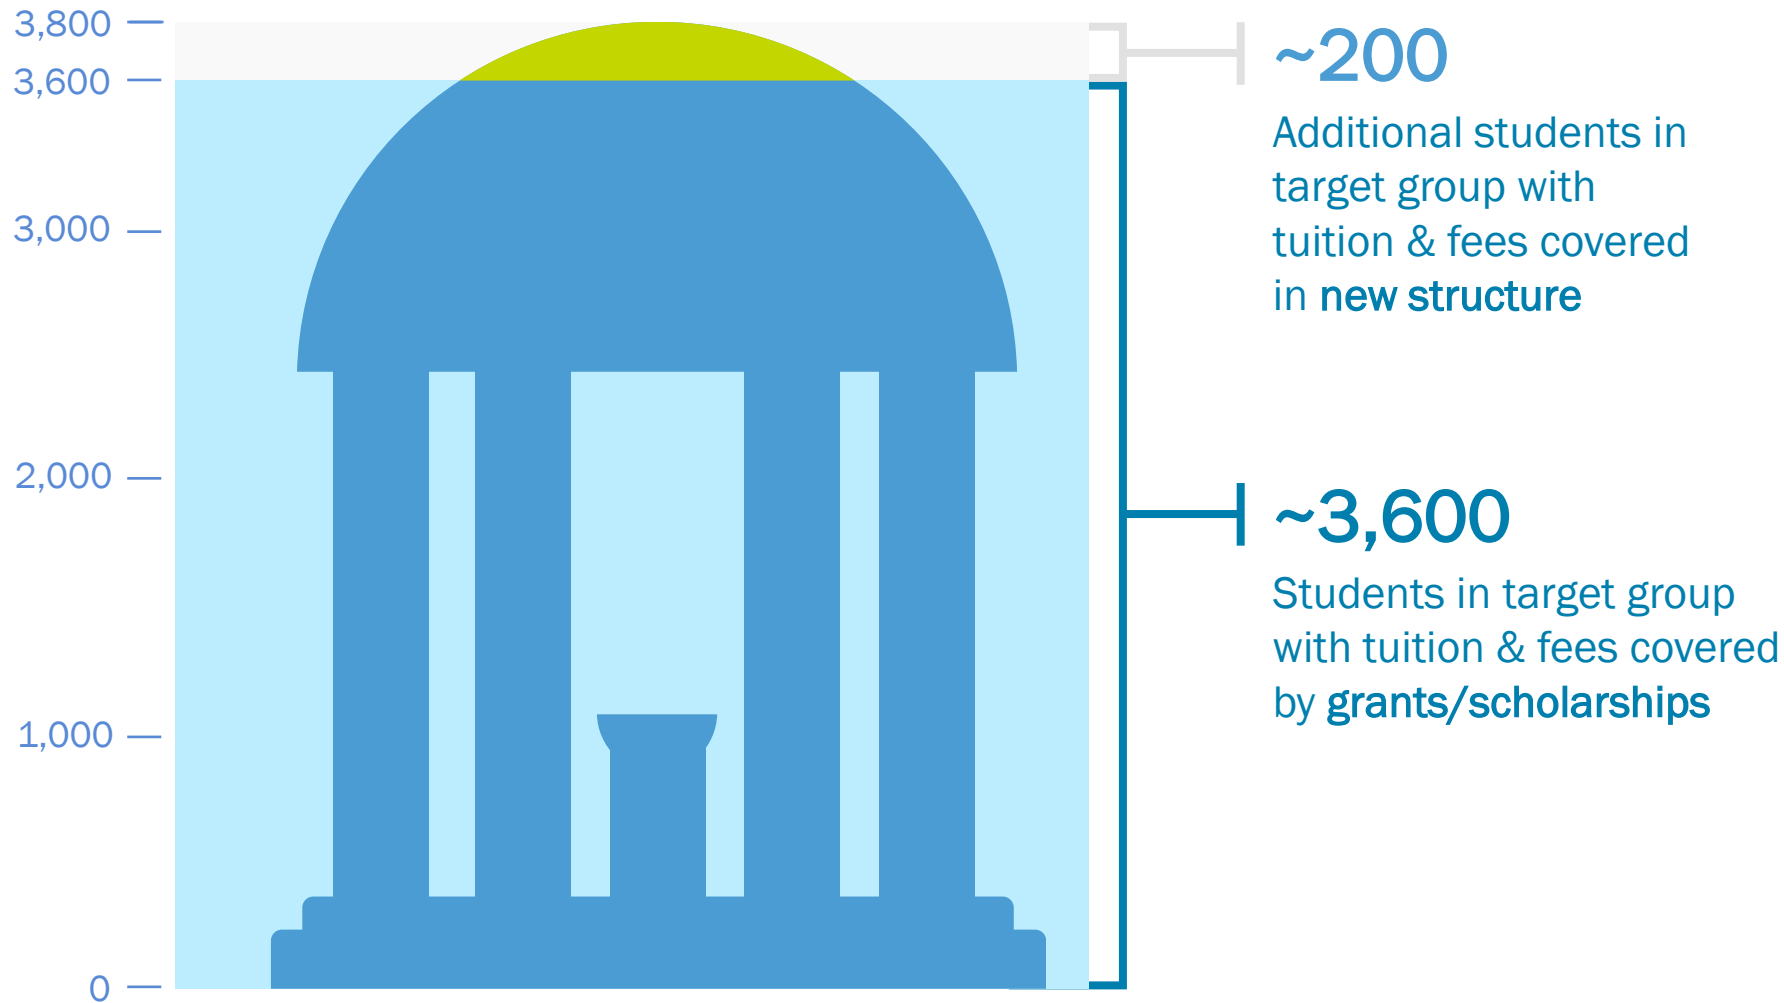

Estimated cost: \$500,000 to \$600,000 from philanthropy. Estimated to cover unmet tuition and fees for 150-200 students per year.

Extends opportunity beyond other programs, such as the Carolina Covenant and Blue Sky Scholars, that provide tuition and fees to 5,000 undergraduates, with 3,600 in this income category.

# Target Group: 3,800 Students

(All with family income less than \$80K and typical family assets)

## A clear message

A slight expansion to already robust aid programs sends a clear message to families who may fear they cannot afford both household and college expenses.

Thank You!
